

# GENERAL ASSOCIATE OF Arts Degree

An Associate Degree is equivalent to the first two years of a four-year university degree. Universities in British Columbia will guarantee 60 transfer credits to holders of an Associate Degree. Students must meet the grade point average (GPA) established by each university for admission.

## Program Overview

- The General Associate of Arts Degree provides students with a strong foundation in the general arts. It also prepares students to pursue a Bachelor's degree in General Arts or a related field.
- Students will be offered a wide range of Arts courses that is not limited to one area of study.
- Graduates will acquire knowledge from various Humanities and Social Sciences disciplines including anthropology, communication, criminology, economics, geography, political science, psychology, and sociology.

## Skills Gained

-  Critical thinking skills to analyze and interpret various perspectives in the academic context.
-  Understanding theoretical approaches to Humanities and Social Sciences disciplines.
-  Networking and communication skills through group projects with peers.
-  Knowledge from a multidisciplinary education that can be transferred to the working world.

## Accelerated Associate Degree: Tri-mester system

Students benefit from the tri-mester system with intakes in January, May, and September. This means students can take more courses over a 12-month period and can complete an Associate Degree in 16 months or two years.

School System	Semester 1				3-4 week break	Semester 2				3-4 week break	Semester 3				3-4 week break	Semester 4			
	Sept	Oct	Nov	Dec		Jan	Feb	Mar	Apr		May	Jun	Jul	Aug		Sept	Oct	Nov	Dec
Trimester Fast Track: 16 months	4 COURSES					4 COURSES					4 COURSES					4 COURSES			

Students take a minimum of 3 and a maximum of 5 courses per semester. Students who do not wish to accelerate can complete an Associate Degree in 2 years.
